# ABOUT US

FOXMERE FILMS IS A PROFESSIONAL FILM AND VIDEO PRODUCTION SERVICE  
BASED IN COUNTY DOWN, NORTHERN IRELAND.

Our award-winning team specialise in delivering high-end film and video production services. We have over a decade of experience in crafting documentary and factual programmes, branding & promotional videos, bespoke wedding films, event coverage and post-production.

Our disciplined yet creative approach ensures that your investment is reflected on screen, and we take pride in delivering all our projects on time and to the highest technical standards. Let us help you bring your big ideas and big moments to the screen.

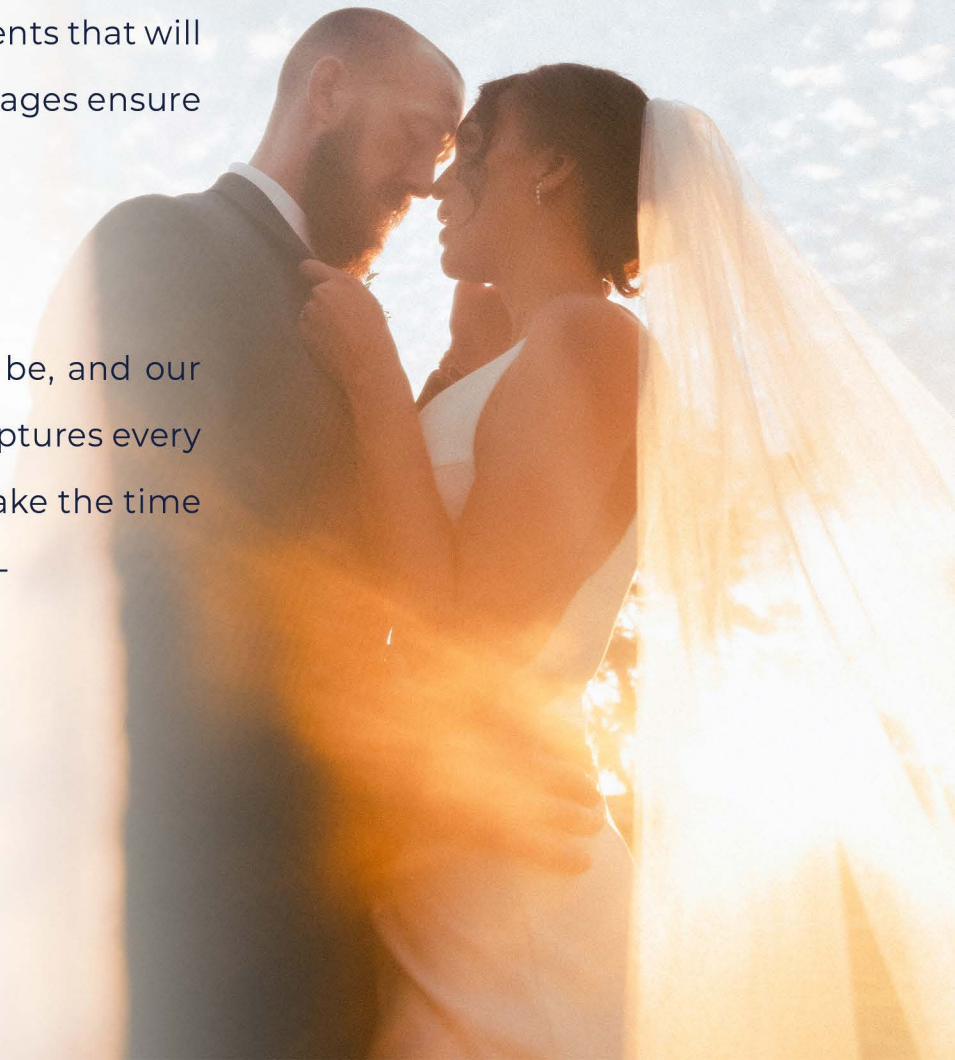

# WEDDING FILMS

CAPTURING THE MOMENTS WHICH BECOME LIFELONG MEMORIES.

At Foxmere Films, we have a passion for capturing the special moments that will become lifelong memories. Our tailored wedding videography packages ensure every moment of your special day is captured, from morning preparations, arrival and vows, to the reception and first dance.

We understand how stressful and exciting wedding planning can be, and our team are experienced in providing a quiet, unobtrusive style that captures every detail and subtlety. When you book your wedding through us, we take the time to get to know you, so that we can deliver the perfect wedding gift - a video that you can cherish and enjoy for years to come.

# WEDDING PACKAGES

## ESSENTIALS

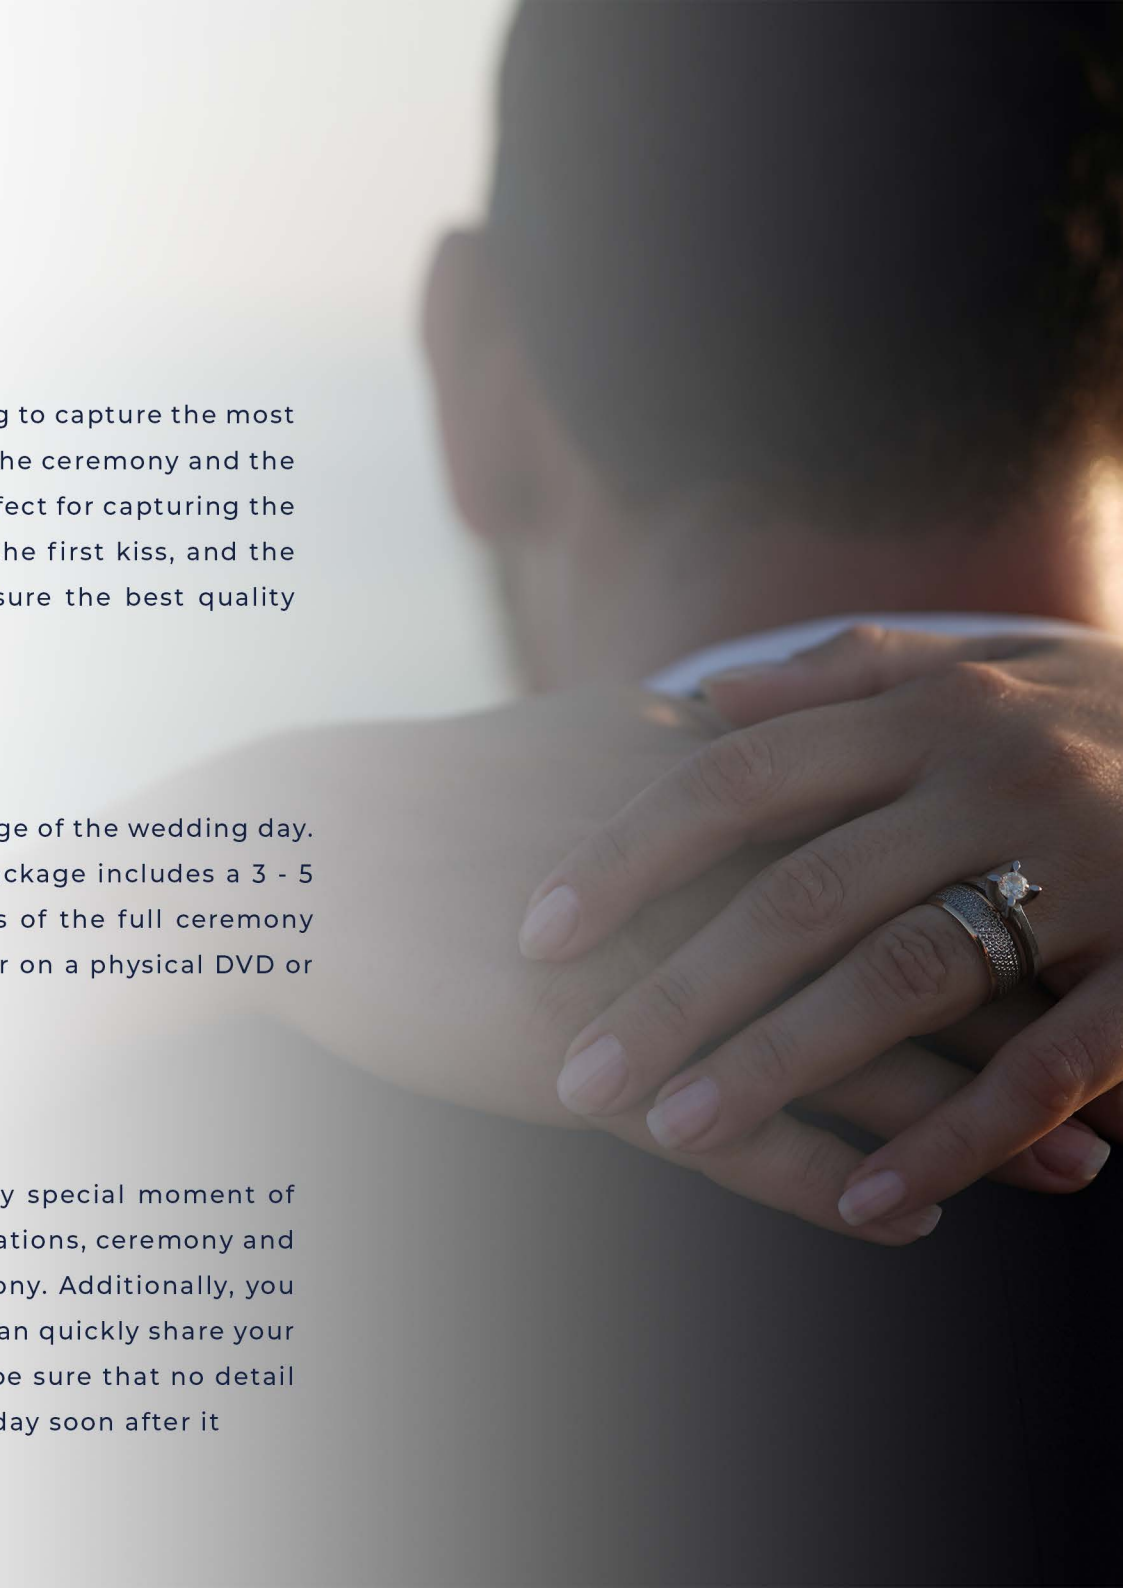

The essentials package is an affordable option for couples looking to capture the most important moments of their special day. It includes coverage of the ceremony and the delivery of an edited video within two weeks. This package is perfect for capturing the key highlights of the ceremony, such as the exchange of vows, the first kiss, and the recessional. The final video will be professionally edited to ensure the best quality footage and a lasting memory to cherish for years to come.

## STANDARD

The Standard Package option offers more comprehensive coverage of the wedding day. It includes coverage of the ceremony and the reception. This package includes a 3 - 5 minute highlight video of the day, along with multiple versions of the full ceremony and reception. The videos can be delivered in a digital format, or on a physical DVD or USB drive.

## DELUXE

The deluxe package is the ultimate package for capturing every special moment of your wedding day. This package includes coverage of the preparations, ceremony and reception, and separate video files for the reception and ceremony. Additionally, you will receive an edited highlight video within four weeks, so you can quickly share your day with family and friends. With the Deluxe Package, you can be sure that no detail will be missed, and you can relive the memories of your special day soon after it happens.

# BRANDING & PROMOTION

BUILD A STRONG BRAND IDENTITY AND TAKE YOUR BUSINESS TO THE NEXT LEVEL.

We specialize in creating unique and captivating video content tailored to satisfy the needs of our clients. Our experienced team of professionals focus on building a strong brand identity to help take your business to the next level. We provide a variety of services, including promotional videos, corporate videos, and web videos, as well as video production and editing.

Our experienced team of graphic designers and filmmakers are dedicated to providing the highest-quality video production services in the industry. From concept to completion, we strive to create video content that is engaging, memorable, and effective. With Foxmere Films, you can rest assured that your video needs will be met with the utmost quality and professionalism.

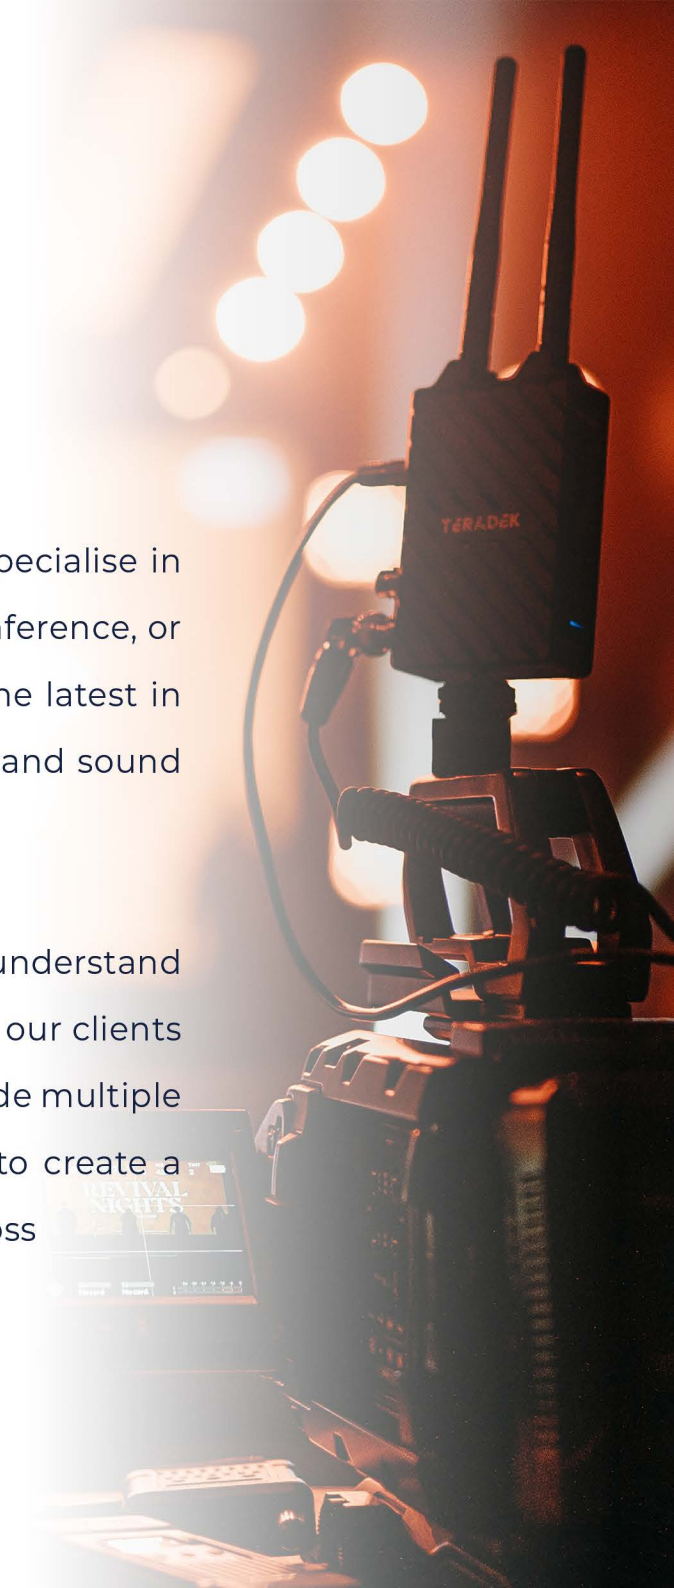

# EVENT COVERAGE

CAPTURE THE MOMENT, FROM STAGE TO SCREEN

Foxmere Films is dedicated to providing quality live event coverage services. We specialise in capturing the energy, atmosphere, and excitement of any event, be it a concert, conference, or corporate event. Our experienced team of video professionals are equipped with the latest in video and audio technology, allowing them to capture the highest quality footage and sound on-site.

At Foxmere Films, we take pride in our attention to detail and customer service. We understand the importance of capturing the best moments of an event, so we work closely with our clients to ensure that the end result is exactly what they are looking for. We are able to provide multiple camera angles, live streaming, and post-production editing services, allowing us to create a unique and professional product for our clients. Our team is available for events across Northern Ireland, and we can provide on-site support for larger events.

# DRAMA & DOCUMENTARY

TELL YOUR STORY, ON THE LARGEST CANVAS

Foxmere Films provides a comprehensive range of documentary and drama services for clients. Our experienced team of experts can provide the creativity, vision, and technical expertise required to create a compelling story. We specialize in producing high-quality documentaries that explore a range of topics, from historical events to personal stories.

Our experienced staff works closely with clients to ensure their project is tailored to their exact requirements. We specialize in creating compelling storylines, finding the perfect locations, designing costumes and sets, and directing the perfect cast. We provide casting services, script writing, rehearsal, editing, and even post-production services. Our team is passionate about creating emotionally-charged stories that will capture the hearts and minds of your audience. We understand the importance of creating something that stands out from the crowd and have the experience and expertise to make it happen.

# POST-PRODUCTION

CRAFTING & DELIVERING EXCELLENCE

Foxmere Films offers a wide range of post-production services to ensure that your video project is a success. Our professional editors will work with you to develop a unique style and look for your video. We use the latest colour grading technology to create a tailored aesthetic for your project. Our sound design and audio mixing services ensure that your audio is balanced and of the highest quality.

We also provide animation and motion graphics services to create custom intros, outros, and other visual elements to enhance your project. Our team of experts can help you refine your project to make sure it looks and sounds its best. We customize our post-production services to meet your individual needs and ensure that your video project is polished and professional.

# PHOTOGRAPHY

LIVE LIFE IN COLOUR

Foxmere Films provides professional photography services for any occasion. Our team of experienced photographers have the latest cameras and lighting equipment to create stunning visuals. We specialize in capturing the emotion and beauty of each moment, ensuring that our clients have lasting memories of their big day. We also offer high-end product photography to set our clients' products apart.

We can also provide full-service photography for events, weddings, corporate functions, and any other special occasions. Our photographers are skilled in post-processing, colour grading, and retouching to ensure the highest quality for our clients. Trust Foxmere Films to capture the memories that will last a lifetime.
